# **Dedication of the Newel Knight Grave Monument**

In the spring of 1907, a party consisting of Jesse Knight; his daughter, Inez Knight Allen; his daughter-in-law, Lucy Jane B. Knight; an elder brother, Samuel R. Knight; President George H. Brimhall of Brigham Young University; and J. W. Townsend of Crete, Nebraska, visited the old campsite and made arrangements for a piece of ground on which to erect a monument for Jesse's father. On this ground was erected an imposing granite shaft facing the highway and enclosed by an iron fence. On the shaft is inscribed the following bit of history:

## Erected 1908 NEWELL KNIGHT Born September 13, 1800; Died January 11, 1847 A member of the Church of Jesus Christ of Latter-day Saints

#### FATHER

Who died during the hardships of our exodus from Nauvoo to Salt Lake City. "Blessed are they which are persecuted for righteousness' sake, for theirs is the kingdom of heaven."—Matt. V:10

While there, President Brimhall, who was a gifted poet, composed the following lines in 1907 at the gravesite of Newel Knight and other pioneers who died in Niobrara, Nebraska on their journey west:

Not backward, but onward and upward they looked; A fire in each bosom was burning. For the new land of promise the Lord had them booked And they yearned with and Israelite yearning.

The comforts of home they had left far behind. The wilderness wild was around them. The voice of their God was the only one kind. And here the cold winter had found them.

The smoke from their cabins arose to the sky— Their prayers of the morning and bedtime. Went up to the throne of the father on high As they patiently watched for the springtime.

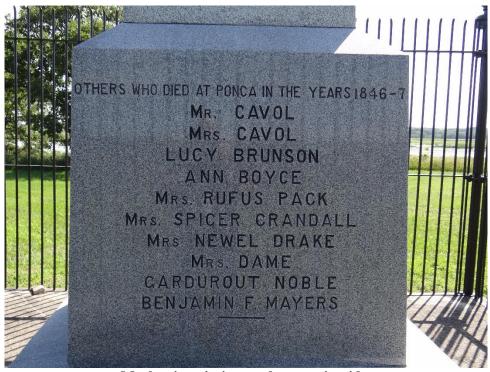

Joy gushed from the heart in each noble breast. At the words. "We leave on the morrow", But the graves now unknown where the dear ones still rest Kept open the fountains of sorrow—June 9, 1907."
